

Assets

The Assets section in Zoho Thrive, lets you add marketing links to help affiliates promote your product in a better way. Links here could be anything ranging from promotional page - link to comparison page - link.

To add your assets to the program:

1. Go to **Assets**.
2. Click **Add Links**.

3. In the popup, paste the offerings's **URL** and provide the **Link Label**.

1. The offering URL must begin with your store/brand URL's domain name.
2. The link label provided is only how the link will be displayed to the affiliates in their portal. Make sure it is descriptive and short.

4. Click **Add**.

The screenshot shows a modal window titled "Link Details" with a close button (X) in the top right corner. Inside the modal, there are two input fields: "Link Label" and "URL". The "URL" field has a small icon of a chain link to its left and a green plus sign to its right. Below these fields is a green "Add" button.

⚠ Make sure you check the URL before adding it. It cannot be edited once added, only deleted.
