# Following a manual

Follow a manual to get notified whenever there is any activity. You'll receive an email and a push notification anytime there is an update to a manual you follow.

To follow a manual from inside the manual:

1. Navigate to the manual.
2. Click the **More options** icon (⋮).
3. Click **Follow**.

To follow a manual from the manual card:

1. Click the **More options** icon (⋮) on the manual card.
2. Click **Follow**.
