

# Print Survey

You can print your entire survey in any of the languages that the survey has been translated into.

## To get a hard copy of your survey:

1. Click **Advanced Options** on the upper-right side of the survey builder.
2. Hover the mouse over *Print Survey*. It will list the languages to which your survey has been translated.
3. Click to select the language of your choice.
4. Click **Print** in the window that appears with the print settings. Your survey will be sent to the printer.
